Will anyone in the community notice if your church closes today?

Will your church notice if your community disappears today?

I will make you into a great nation, and I will bless you; I will make your name great, and **you will be a blessing.**

I will bless those who bless you, and whoever curses you I will curse; and **all peoples on earth will be blessed through you.**

The Spirit of the Lord is on me,
because he has anointed me to
proclaim good news to the poor.

He has sent me to proclaim freedom
for the prisoners and recovery of
sight for the blind, to set the
oppressed free, to proclaim the year
of the Lord's favour.”

Luke 4:17-18

Is my church being a blessing?

“It is customary to blame secular science and anti-religious philosophy for the eclipse of religion in modern society. It would be more honest to blame religion for its own defeats. Religion declined not because it was refuted, but because it became irrelevant, dull, oppressive, insipid. When faith is completely replaced by creed, worship by discipline, love by habit; when the crisis of today is ignored because of the splendor of the past; when faith becomes an heirloom rather than a living fountain; when religion speaks only in the name of authority rather than with the voice of compassion—its message becomes meaningless”

Abraham Joshua Heschel, *God in Search of Man*
(Farrar, Straus and Giroux, 1976), 3

The Ministry of Justice and Compassion is a need for the church

- Social involvement is a relevant part of the Christian lifestyle according to the example of Jesus;
- The disinterested example of Jesus when mixing with people and looking after their needs is a motivation for us;
- In our prophetic call is included the response to the needs of people;

The Ministry of Justice and Compassion is a need for the church

- As a church we are called to look at the rights of people, because we were created at the image of God;
- In the European context a practical action in favour of others is more likely to be effective in reaching out to others;
- The church members need to be united and involved in the practice of socially responsible actions;

The Ministry of Justice and Compassion is a need for the church

- Opportunity for the church to be more connected to the society and the real problems of people;
- The church is to contribute for the well-being of people, regardless the social, political or religious background.
- Possibility to attract resources from outside the church;
- It is also an opportunity a better image of the church.

Is my church being a blessing?

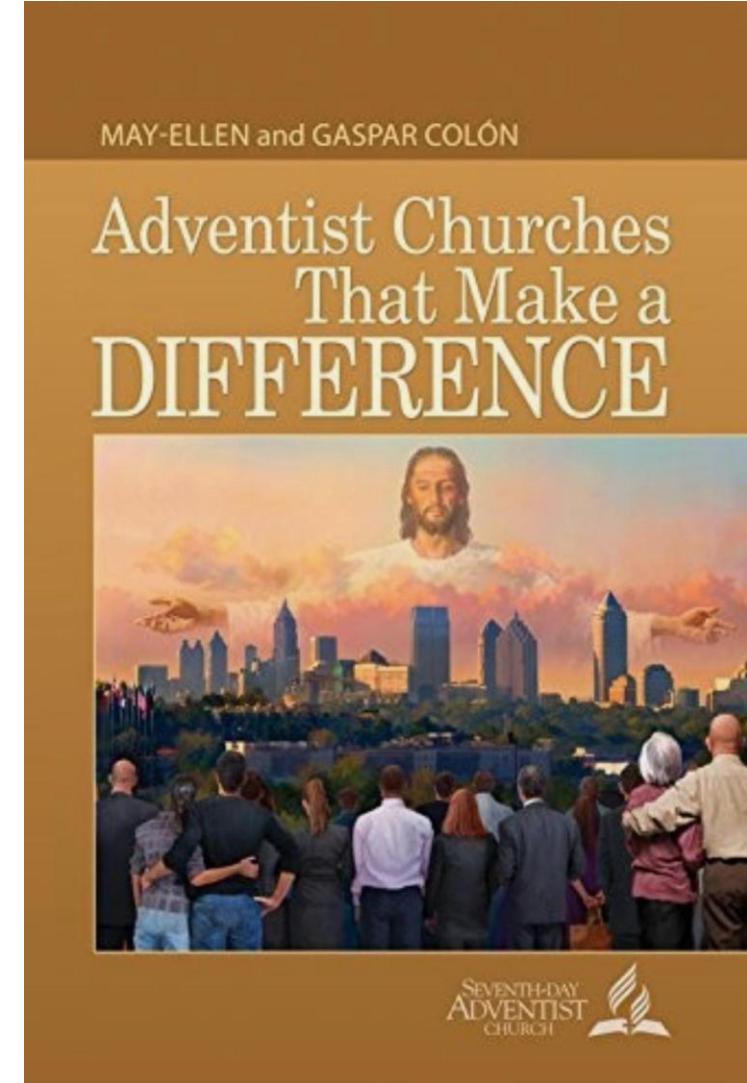

“We need to come close to the people by personal effort. If we would give less time to sermonizing and more time to personal ministry, greater results would be seen. The poor are to be relieved, the sick cared for, the sorrowing and the bereaved comforted, the ignorant instructed, the inexperienced counseled. We are to weep with those who weep and to rejoice with those who rejoice. Accompanied by the power of persuasion, the power of prayer, the power of the love of God, this work will not, cannot, be without fruit.”

Ellen White

How to Engage?

1. Pray for a spirit of love, care and respect. Study Christ's Method and how can it be applied in your community. Preach about it;
2. Assess your resources: Volunteers (church members), church space open during the week, gifts in kind, financial potential, vehicles, etc.;
3. Organize a core social action team that can help the church making a difference;

How to Engage?

4. Choose a territory of intervention according to the church capacities;
5. Develop a Community Assessment by study the demographics, visiting and knowing the place, understand the needs and engage local leaders;
6. Grow the social capital by participating in community boards, other associations, town councils, other church leaders, businesspeople, etc.

How to Engage?

7. Choose fields of work according to the needs and the resources. Ex: poverty, loneliness, psychological support, ludic activities, etc.;
8. Develop a church strategic ministry plan using the good ministries of the church not only for the inside, but for the society as a whole;
9. Look for partnerships with other organizations (government, NGOs, food banks, companies, etc.);

How to Engage?

10. Follow the progress of the activities, monitor and adjust objectives as needed;
11. Develop a learning system where evaluation is welcomed and progress pursued. Not only assistance, but community development and advocacy;
12. Find opportunities and ways to share the gospel of salvation and invite people to follow Jesus.

Opportunities to Serve

“You can find Calcutta anywhere in the world. You only need two eyes to see. Everywhere in the world there are people that are not loved, people that are not wanted nor desired, people that no one will help, people that are pushed away or forgotten. And this is the greatest poverty.”

Mother Theresa

As a member and co-chair of the European Parliament Intergroup for Children's Rights, I support the appeal created by children and young people from different backgrounds as part of the program [ADRA Europe](#) which warns decision-makers about the power of education and the need to provide access to quality education to all children.

“The reason why God’s people are not more spiritually minded, and have not more faith, I have been shown, is because they are narrowed up with selfishness. It is not the abundance of your meetings that God accepts. It is not the numerous prayers, but the right doing, doing the right thing and at the right time. It is to be less self-caring and more benevolent. Our souls must expand. Then God will make them like a watered garden, whose waters fail not.”

Ellen White - Welfare Service, p. 28
